#tbt

Aim	To think about which contents of one's own internet activities one would like to see also in the future, e.g. when using the hashtag #tbt (throwbackthursday)
Duration	-
Number of participants	any
Difficulty	medium
Conditions	Especially in a group, a trusting atmosphere is needed for reflecting on one's own/private pictures so nobody feels degraded.
Material	Smartphone, website https://tosdr.org/

Preparation
-

Description
The participants go through their own web activities, e.g. on Instagram, and reflect which pictures of themselves they would post once again using the hashtag #tbt. Together they think of criteria for the selection of such pictures and contents.
