Films from the internet

Aim	To find and spread streaming services
Duration	10-30 Min
Number of participants	any
Difficulty	easy
Conditions	Do the exercise when streaming becomes an issue.
Material	Possibility to do online research, to consult other people

Preparation

-

Description

The participants look for streaming platforms and ask smart people where they can easily watch films and series. They also do research on possible consequences of using illegal services.

Useful platforms and websites are listed on a poster which is hung up or published in a social network post.

Alternative: Write down the information gathered during the research on post-its and categorise them according to the following keywords: Legal – Illegal - Consequences
