Preparation
-

Description

Each participant picks a Facebook group to play the bingo game with. Then, each person looks for postings which correspond to the fields on the bingo card. Every time such a posting is found, the participant crosses out the respective field on the bingo card. Example: There is a posting on Facebook depicting massacred dogs and reading: "It's unbelievable how brutal the Ukrainians are!" Correspondingly, the field "OMG" can be crossed out on the bingo card, and possibly also the field "Animals are rescued in a spectacular way!"
