Description

The participants sit on chairs arranged in a circle. There are chairs for all participants except one. This person stands in the middle of the circle and mentions one personal characteristic, e.g. "I like to use Skype," "I have a younger sister." All of the participants who share this characteristic get up and quickly sit down on a different chair. The person who stated the characteristic does the same.

Now, the person who did not find a chair to sit on stands in the middle and mentions a personal characteristic, and so on.
