

## Hand evaluation

<b>Aim</b>	To reflect on and evaluate a workshop
<b>Duration</b>	Approx. 10-15 Min
<b>Number of participants</b>	any
<b>Difficulty</b>	easy
<b>Conditions</b>	-
<b>Material</b>	Copies of "Hand evaluation" or empty sheets of paper, pencils

### Preparation

Use a pencil to draw the outline of your hand on a sheet of paper. Make a copy for each participant. Alternatively, you can hand out empty sheets of paper and ask the participants to draw their own hands.

### Description

Ask the participants to reflect on/evaluate the workshop by writing down their feedback on the fingers of the drawn hand:

What they liked most of all (thumb)

What they want to point out (index finger)

What they didn't like at all (middle finger)

What they want to take with them and remember (ring finger)

What was neglected/lacking (little finger)
